## Web Developer

Kennebunk, ME || (207) 641-3790 || [casenluck@gmail.com](mailto:casenluck@gmail.com) || [LinkedIn](#) || [Github](#) || [My Coding Projects](#)

### Profile

Full Stack Web Developer with an ability to learn quickly and adapt from working collaboratively and self-starting. I'm eager to start a challenging position in web development and to be able to use my skills in communication, critical thinking, and leadership to collaborate on a high performing, positive, and creative team.

### SKILLS

- **Teamwork** - I've experience in engineering based team projects in highschool as well as College
- **Computer Science** - I've studied AP computer science(JAVA) and advanced programming(C) in high school
- **Tech** - Javascript | JQuery | Node.js | Express.js | Handlebars.js | React.js | Git | MySQL | CSS | Bootstrap | HTML5 | Heroku | MVC | API Design | Sequelize | Solidity
- **Solid Works Certification** - Associate Mechanical Design Certificate
- **Golfer** - I have played golf for the past 6 years with 4 years on my high school team

### PROFESSIONAL EXPERIENCE

#### **Triangle Design Group, Biddeford, ME-** *Electro Mechanical Engineer Co-Op*

May 2021 - Aug 2021

- combine knowledge of mechanical technology with knowledge of electrical and electronic circuits. Operate, test, and maintain unmanned, automated, robotic, or electromechanical equipment.

#### **Cape Arundel Golf Club, Kennebunkport ME-** *Outside Operations*

MAY 2018 - Sept 2020

- Worked at the club house servicing players with setting up their cart and helping them get out on the course on time. Set up for events and tournaments.

#### **W.H. Demmons, Portland, ME-** *Intern*

April 2019 - May 2019

- Learned about all positions in the HVAC business, including in the field work as well as business and project management.

#### **Colony Hotel, Kennebunkport, ME-** *Groundskeeper*

May 2017 - September 2017

- Worked outside mowing the hotel putting green, Managed the sprinkler systems and their timers.

#### **Bennetts Sandwich Shop, Kennebunkport, ME-** *Sandwich Cook*

May 2015 - September 2016

- Memorizing customers' orders and making their sandwiches. Prepped ingredients and cleaned the workstation/kitchen.

## AWARDS

### **Eagle Scout Project — Duck Houses**

In this project I built 7 Duck Boxes to be placed on the Blueberry Plains in Maine to give the wood duck species a safe and cozy home. I managed and lead a team of boy scouts to build and place the wood duck boxes out on ponds in the Blueberry Plains

## EDUCATION

### **University of New Hampshire, NH-** *Full stack Development Bootcamp*

Sept 2021 - March 2022

### **Wentworth Institute of Technology, Boston-** *Mechanical Engineering with a business minor*

August 2019 - May 2021

Mechanical Engineering with a business minor GPA: 3.6 // left to pursue my passion in full stack development
